

Recent Postbaccalaureate Alumni
NIDA Intramural Research Program

Sam Bacharach szb3ak@gmail.com

2013-15, Neurobiology of Relapse Section

Currently: doctoral program in neuroscience, University of Pittsburgh

Heather Baldwin

2013-15, Optogenetics and Transgenic Core

Currently: doctoral program in cellular biology, Johns Hopkins University

Kate Brynildsen kate.brynildsen@gmail.com

2012-15, Cognitive Neuroscience & Psychopharmacology Section

Currently: doctoral program in neuroscience, University of Pennsylvania

Eduardo Gigante edgigante@gmail.com

2012-15, Behavioral Neuroscience Section

Currently: doctoral program in neuroscience, Emory University

Luke Hartstein

2014-15, Molecular Neurobiology Section

Currently: medical school, New York University

Konstantin Kaganovsky kkaganovsky@gmail.com

2013-15, Neurobiology of Relapse Section

Currently: doctoral program in neuroscience, Stanford University

Bryson Lochte blochte@gmail.com

2013-15, Cognitive Neuroscience & Psychopharmacology Section

Currently: medical school, University of California, San Diego

Matt Lycas matlycas@gmail.com

2014-15, Electrophysiology Section

Currently: doctoral program in pharmaceutical science, University of Copenhagen

Juliana Quarterman julianaq25@gmail.com

2013-15, Medications Development Program

Currently: research assistant, University of Maryland, School of Pharmacy

Suelynn Ren sren1340@gmail.com

2014-15, Neurobiology of Relapse Section

Currently: MD/PhD program, SUNY Stony Brook

Tulha Siddiqi tsiddiqi@umd.edu

2013-15, Treatment Section

Currently: manager, Charm City Clinic

Miji Um miji.um@gmail.com

2013-15, Cognitive Neuroscience & Psychopharmacology Section
Currently, doctoral program in clinical psychology, IUPUI

Andrew Wright wrightme90@gmail.com

2013-15, Electrophysiology Section
Currently: doctoral program in neuroscience, Brown University

Tamara Zeric tamiezeric@gmail.com

2013-15, Neurobiology of Relapse Section
Currently: doctoral program in pharmacology, Columbia University

Klil Babin kbabin17@gmail.com

2012-14, Molecular Mechanisms of Behavior Unit
Currently: medical school, Rosalind Franklin University

Carl Broker carlbroker@gmail.com

2012-14, Neurocircuitry of Motivation Section
Currently: premed postbac, University of Rochester

Omar Bukhari m71@umbc.edu

2013-14, Medicinal Chemistry Section
Currently: Kentucky College of Osteopathic Medicine

Caitlin Burzynski burzynskicm@gmail.com

2012-14, Medicinal Chemistry Section
Currently: medical school, University of Rochester

Ignacio Cerdeña

2012-14, Treatment Section
Currently: medical school, Yale University

Mary Fakunle mfakunle@gmail.com

2012-14, Nicotine Psychopharmacology and Treatment Sections
Currently: medical school, New Jersey Medical School

Stephanie Goddard stephanieagoddard@gmail.com

2012-14, Synaptic Plasticity Section
Currently: medical school, Tulane University

Ajay Kailas ak748@cornell.edu

2013-14, Structural Biology Unit
Currently: medical school, University of Central Florida

Drew Kesner andrew.kesner@nih.gov

2012-14, Neurobiology of Motivation Section
Currently: doctoral program in cellular biology, Johns Hopkins University

Albert Kim albert_h.s_kim@hotmail.com
2013-14, Neurobiology of Relapse Section
Currently: master's program in biology, Wake Forest University

Abigail Kindberg akindberg01@gmail.com
2012-14, Development & Plasticity Section
Currently: doctoral program in biomedical science, UC San Francisco

Zofia Klosowska zklow48@gmail.com
2012-14, Treatment Section
Currently: premed postbac, University of Virginia

Kurt Lehner
2012-14, Medicinal Chemistry Section
Currently: medical school, Hofstra University

Mike Pokrass mpokrass@gmail.com
2013-14, Cellular Pathobiology Section
Currently: Fulbright Scholarship, Max Delbrück Center for Molecular Medicine, Berlin

Catherine Schweppe caschweppe@ucla.edu
2012-14, Medicinal Chemistry Section
Currently: doctoral program in neuroscience, UCLA

Robyn St. Laurent st.laurent.robyn@gmail.com
2012-14, Neurobiology of Relapse Section
Currently: doctoral program in neuroscience, Brown University

Moxi Zhou moxizhou@gmail.com
2012-14, Neuroimaging Branch
Currently: Hack Reactor, software development

Mary Rabei rana.rabei@gmail.com
2012-13, Neurobiology of Relapse Section
Currently: doctoral program in biomedical science, University of Chicago

Veronica Zamora Olivencia v.zamora.olivencia@gmail.com
2012-13, Behavioral Neuroscience Section
Currently: medical school, Ponce University

Katie Baldwin k.baldwin000@gmail.com
2011-13, Structural Biology Unit
Currently: doctoral program in public health, Rutgers University

Catherine Demers catherine.h.demers@gmail.com

2011-13, Neuroimaging Branch

Currently: doctoral program in clinical psychology, Washington University

Maleeha Haroon maleeha.haroon@gmail.com

2011-13, Nicotine Psychopharmacology Section

Currently: doctoral program in clinical psychology, University of North Carolina

Sarita Kambhampati sarita.kambhampati@gmail.com

2011-13, Neurobiology of Relapse Section

Currently: medical school, St. George's University

Alex Kawa abkawa1@gmail.com

2011-13, Neurobiology of Relapse Section

Currently: doctoral program in psychobiology, University of Michigan

Jessica Lopez jplopz@gmail.com

2011-13, Psychobiology Section

Currently: doctoral program in public health, Drexel University

Stephanie Myal stephanie.myal@yahoo.com

2011-13, Behavioral Neuroscience and Neurobiology of Relapse Sections

Currently: MD/PhD program, University of Pittsburgh

Ray Rogers rayshardrogers@gmail.com

2011-13, Glia-Neuron Interactions Unit

Currently: business classes, Georgetown University

Fabienne Saint-Preux fspreux@gmail.com

2011-13, Molecular Neuropsychiatry Section

Currently: medical school, St. Louis University
